SAGINAW MICH.

1940 SPRING LIST

MANY THANKS for the nice orders we have received in the past year.

We have decided not to issue a large and expensive catalog, but prefer to try to give our trade the benefit of this saving in more than generous extras and overcount on the orders you send to us.

Our bulbs are in excellent condition - all hand dug and hand cleaned, and should with the proper care, give you splendid flowers.

During the coming season we expect to be in a position to give you much better service than last year, when we had so much illness to contend with.

EXTRAS ON CASH ORDERS

Orders from \$2.00 to \$5.00 select 10% extra in bulbs of your choice.
Orders from \$5.00 to \$25.00 select 15% extra in bulbs of your choice.
Besides the above, there will be our usual generous overcount and extras for trial.

TERMS OF SALE

Cash with order or 25% will hold order until April 15th. Balance may be remitted before that time or shipment made C.O.D. for balance due. A small additional fee will be charged on C.O.D. orders.

All retail orders of \$2.00 or more are prepaid to destination anywhere in the United States and Canada. YOU pay the postage on orders of LESS THAN \$2.00.

We do not substitute varieties unless authorized to do so by the customer, but we do reserve the right to substitute on sizes if we are out of the size ordered, unless your order specifies no substitution of sizes.

WHOLESALE QUOTATIONS WILL BE MADE UPON REQUEST. PLEASE SEND US A LIST OF YOUR REQUIREMENTS. WE ARE NOT ISSUING A GENERAL WHOLESALE LIST THIS YEAR.

GUARANTEE

We guarantee our bulbs to be true to name and as free of disease and insects as it is humanly possible to make them. Inasmuch as we cannot control growing conditions after the bulbs are shipped, we do not guarantee results, but any bulbs which are not true to name at time of blooming will be replaced or purchase price refunded. If upon receipt of your order you are not satisfied with the bulbs - return them to us within 15 days and we will gladly refund your money.

1940 NEW INTRODUCTION 1940

AUTUMN - Early to early midseason. A tall slender decorative of lovely autumn coloring - a bronzy leaf brown with throat shading to yellow, lightly pencilled dark red. At times the entire flower shows the bloom peculiar to the autumn ripening fruits. In spite of its beautiful color and healthy growth, we did not think this glad good enough to introduce, inasmuch as it is very temperamental so far as placement is concerned, but despite this fact, so many of our customers have requested bulbs that we are offering it to those who are interested at 25¢ per bulb, or \$2.50 per dozen, for large bulbs.

* * * * *

MIXTURE - Some of the mixture which we offered last fall at \$1.00 per hundred is still available. This is not a "hit and miss" mixture where you might get one bulb of one variety and a dozen of another, but we have set aside certain varieties to use in this and we guarantee you will not receive a bad bulb of any one variety to every hundred bulbs purchased. All the bulbs of good standard varieties.
